

SAFETY, SELF-PROTECTION AND RECOMMENDATIONS

Dear user, for a better stay and coexistence in the campsite, it is very important and necessary that you read these rules and recommendations, as they will allow you to know how to act in case of emergency in the facilities.

- +Check the fire extinguishers nearby when you stay in your pitch.
- +Look at the Emergency Exit signs. Note the direction of the signs located on the roads/streets.
- + There are three emergency exits on the campsite.
- +In the event of fire or a dangerous situation, inform the campsite staff as quickly as possible, remain calm at all times and vacate the affected area as soon as possible. In case of need and in the absence of campsite staff, you can use the nearest fire extinguisher.
- +If you have to evacuate the campsite, do not use the vehicles.
- +Fires are not allowed on your pitch or in communal areas. The use of candles, torches or similar is not authorised due to their danger.
- +Electrical extension cords on coils must be completely unwound to prevent them from heating up.
- + If you come with your dog, it must remain in your pitch, leashed and controlled. They will be taken out of the enclosure to satisfy their needs.
- +The management cannot be held responsible for damaged or stolen objects on the campsite.
- +You must leave the campsite before 12 p.m. on the day of departure.
